

Clinical Pharmacist

Marathon Health is providing a new Clinical Pharmacy service to assist patients with complex medication issues. The service provided includes:

- Scheduled appointments in selected practices
- Home Medication Review (HMR) provision if unavailable from local community pharmacy
- Medication review service for people ineligible for HMR
- Follow up phone calls, emails or home visits if required
- Medicines information service for patients and health professionals
- Assistance after discharge from hospital
- Counselling and arranging dose administration aids to improve compliance
