

Mental Health Social Work

Student placements | accreditation | employment

Marathon Health is pleased to offer opportunities for social work students to complete their placements within a range of programs we offer. We welcome graduates looking to complete their mental health accreditation with on the job supervision and training.

We currently have over 280 staff across the organisation, with main offices in Albury, Bathurst, Dubbo, Orange, Wagga and Queanbeyan. We are the lead agency for six headspace centres located in Bathurst, Cowra, Dubbo, Lithgow, Orange and Queanbeyan.

We have student, graduate and other employment opportunities available now, and would love to hear from you!

headspace services

- headspace is an early-intervention youth-friendly service for young people aged 12-25, and their families
- Services cover four main areas: mental health, physical health, work and study support, and alcohol and other drug support

Employment opportunities:

- Mental Health Social Worker
- Social Worker
- Youth Care Coordinator
- Private Practitioner
- Mental Health Clinician
- Counsellor
- Clinical Lead
- Intake and Assessment Worker

National Disability Insurance Scheme

- We are fully accredited to deliver a wide range of NDIS services for people with an NDIS plan across Western and Southern NSW
- We have the largest non-government allied health workforce in Western NSW

Employment opportunities:

- Social Worker
- Mental Health Social Worker
- Counsellor
- Behaviour Support Worker
- Allied Health Assistant
- Support Coordinator

“As someone who was fortunate to have help in financing my recovery, I understand how money can place a huge barrier in seeking appropriate services.”

Rebecca, Social Work student

“During my placement, I have had the opportunity to engage in practice situations, learn from experienced clinicians and engage in a wide range of training.”

Leigh, Social Work student

Working with Marathon Health

At Marathon Health we can offer you all the requirements to fulfil your placement and mental health accreditation, and have identified pathways to employment.

Our services are person-centred – we empower clients with choice and control over the support they receive.

Working with a not-for-profit, you'll fast-track your career with on the job training – learning from our dynamic team who represent some of the best in their field. You'll be able to expand your skills with endless professional development opportunities, and have access to generous not-for-profit salary packaging options. We believe that work-life balance is an important aspect of a healthy work environment – offering flexible work arrangements to help achieve a healthy balance between work and life outside work.

“I feel like I'm part of something that's making a difference, as well as the sense of support and belonging I get from working within teams at Marathon Health.”

Rebecca, Social Worker / Mental Health Clinician

Financial support

Support and financial assistance for rural placements may be available via **Three Rivers Department of Rural Health Access**, as well as scholarships of up to \$10,000 through the Rural Doctor's Network **Health Workforce Scholarship** program for graduates and professional development.

Want to know more?

If you're studying a Bachelor or Masters in Social Work, or if you're a social work graduate looking to gain your mental health accreditation – we'd love to hear from you!
